Dear Mr. Jomides,

On behalf of the Northern New Jersey Council, Boy Scouts of America, and the 36,000 young people we serve, I thank you and your company for your men and expert services in the planting of the seedlings in the wildlife habitat improvement area at camp. The work that was accomplished made a dramatic difference in the environmental quality and aesthetics of our flagship camp, Camp No-Be-Bo-Sco.

Thank you for the work you have done and for working with our volunteers and staff to make this happen. This generous donation has made a lasting contribution to the camp and the many Scouts served there. Please extend our thanks to the men who also helped out that day.

Thank you again for your consideration.

Very truly yours,

Grey Rolland  
Director of Support Services
